

Gone for Good – Top Trumps

Print this sheet on card and cut out the individual cards to play. Decide which is better: heavier or lighted, earlier or later extinction, higher or lower fear factor. Deal 5 cards to each player. Chose an attribute to read out. The winner takes their opponent's card and puts both cards to the back of their pile and reads another attribute. Only 2 cards left? You lose!

Lesser Bilby

Weight: 0.3 kg

Extinct: 1950s

Fear Factor: 3

Habitat: Desert/Grassland

Region: Australia

Pig-Footed Bandicoot

Weight: 0.3 kg
