

That's not right!

*Did you know that there is a word for something that is shown as existing in the wrong time period? It's called an **anachronism**. Now you can really impress your parents...!*

*Colour in
the picture!*

Back from the Future

This picture shows the room where Caleb stayed in Prince John's castle. There are all kinds of things that Prince John must have brought back from the future. How many objects can you find that don't belong in a 12th century castle?
